The People's Wine Shop

To many of us, Valentines Day gift giving is all about decadence and luxury, so what better way to celebrate those themes than with wine and jewelry? This week we bring to you a very special Valentines themed event, Pearls Before Wine, hosted by yours truly and special guests Gloria Brasuel and Bernice Bowers.

Gloria, owner of Gloria Brasuel Fine Jewelry Designs and Bernice Bowers, owner of Bernice Kiyo Diamonds will be here to showcase their unique jewelry collections. While you stroll around and sip your dessert wine, sweet bubbly or velvety red, why not tap your inner cupid and explore the idea of wine and jewelry as a romantic gift combination for your sweetheart, future sweetheart or even yourself.

Gloria Brasuel's distinctive collection features unique one-of-a-kind semi precious stone, fresh water pearl, and brightly colored Swarovski crystal and Venetian style glass necklaces and earrings. Bernice Kiyo Diamonds includes white diamond stud earrings, bracelets, and pendants as well as diamond-cut white sapphire pieces. Jewelry prices start from \$20.00.

While many of you are already familiar with our weekly wine tasting, this is our very first special event, so please come down and take a look around, and have a great time!
